WeiÃŸ und trocken

You Are Chardonnay

Fresh, spirited, and classic - you have many facets to your personality.

You can be sweet and light. Or deep and complex.

You have a little bit of something to offer everyone... no wonder you're so popular.

Approachable and never smug, you are easy to get to know (and love!).

Deep down you are: Dependable and modest

Your partying style: Understated and polite

Your company is enjoyed best with: Cold or wild meat What Kind of Wine Are You?
